

## Wedding Videography Packages and Pricing

*All packages include unlimited time on location, the entire day shot in digital format by a discreet, professional videographer and broadcast-quality digital editing.*

### **Bronze Package**                      **\$1,295**

Document your wedding day with ONE cameraman at the ceremony, cocktail hour and reception. The final DVD includes a 3-4 minute recap video set to song of your choice as well as all in-camera edited footage from the day. Professionally-designed label printed directly on the DVD, with custom packaging.  
THREE DVD Copies

### **Silver Package**                      **\$2,295**

Document your wedding day with TWO cameramen at the ceremony and ONE cameraman at the cocktail hour and reception. The final DVD includes 60-90 minute digitally-edited documentary style video, as well as a 3-4 minute recap segment set to song of your choice or your wedding vows. Professionally-chaptered DVD menu to quickly view ceremony, reception, and recap segment. Proof copy on DVD to preview and request changes. Professionally-designed label printed directly on the DVD, with custom packaging.  
THREE DVD Copies  
Add-on option: Second cameraman at the reception \$400

### **Gold Package**                      **\$2,995**

Document your wedding day with TWO cameramen at the ceremony, cocktail hour and reception. The final DVD includes 60-120 minute digitally-edited documentary style video, as well as a 3-4 minute recap segment set to song of your choice or your wedding vows and a photo slideshow - either growing up or honeymoon - up to 50 images. Professionally-chaptered DVD menu to quickly view the ceremony, reception, first dance, cake cutting, parent dances, photo montage, recap video, etc.. Proof copy on DVD to preview and request changes. Professionally-designed label printed directly on the DVD, with custom packaging.  
SIX DVD Copies with ONE Leather DVD case

### **Platinum Package**                      **\$3,695**

Document your wedding day with TWO cameramen at the ceremony, cocktail hour and reception. The final DVD includes 60-120 minute digitally-edited documentary style video, as well as a 3-4 minute recap segment set to song of your choice, your wedding vows or a love story voiceover, a photo slideshow - either growing up or honeymoon - up to 50 images, and wedding party credits. Professionally-chaptered DVD menu to quickly view the ceremony, reception, first dance, cake cutting, parent dances, photo montage, recap video, etc.. Proof copy on DVD to preview and request changes. Professionally-designed label printed directly on the DVD, with custom packaging. Plus all footage from both cameras will be provided on separate DVDs.  
TEN DVD Copies with THREE Leather DVD cases
